

MISSION WITHOUT BORDERS

# 7 DAYS OF COURAGE

Event Organiser Card

# Helpful planning checklist

- Choose a week for your Church to participate in the Challenge.
- Spend a couple of Sundays in the build up sharing in your Church notices asking people to consider being involved.
- Hand out the 7 Days of Courage booklets in the 2-3 Sundays prior to start date to everyone in the Church to give them an overview the event. Share the digital version on your social media and electronic mailing list.
- Hand out 7 days of Courage participation cards on the opening Sunday. Share the digital version on your social media and electronic mailing list.
- Encourage Church members to choose 6 options to take out of the steps in the 7 Days of Courage booklet over the week.
- Throughout the week, spend a few moments encouraging everyone to take another step! Encourage those who missed the opening Sunday to become involved if they are interested.
- Final Sunday of the week – share stories or testimonies. This can be incredibly encouraging and faith building.
- Challenge people to consider taking a final step to extend their evangelistic reach by sponsoring a family like Orhan's with Mission Without Borders. We have a team willing to speak and to come and help with a sign-up booth on the final Sunday.
